Tyler Howell

Entrepreneur · 3rd Assistant Manager @ Culver's · Maker of Satoshi Mail
Anoka, Minnesota · itstylerhowell@gmail.com · (763) 501-7276

SUMMARY

Entrepreneur who believes in challenging the status quo through curiosity, independent thinking and new ideas across business, technology and innovation. Promoted twice at Culver's in under four years, and builder of Satoshi Mail with Claude Code.

EXPERIENCE

Culver's Restaurants — 3rd Assistant Manager Sep 2026 – Present

- Promoted into restaurant management; fast-food management, labor & sales tracking and team leadership.

Culver's Restaurants — Team Trainer Jun 2026 – Sep 2026

- Trained employees across multiple positions through hands-on coaching and guided instruction.
- Ensured completion of required BBU training videos and administered certification assessments to verify readiness.

Culver's Restaurants — Crew Member Jan 2023 – Jun 2026

- Ran full front-of-house (register, order running, guest engagement) and back-of-house (prep, cooking, food-safety standards) operations.
- Maintained speed and quality through high-volume rushes; led morning prep and closing duties.
- Cross-trained and certified in every back-of-house and front-of-house position.

PROJECTS

Satoshi Mail — satoshimail.pages.dev Oct 2026

- Interactive archive of public records, documents and source materials surrounding Satoshi Nakamoto, inspired by Jmail and built with Claude Code.

EDUCATION

Anoka High School — High School Diploma Sep 2020 – Jun 2024

- Graduated early by completing all academic requirements ahead of schedule.

VOLUNTEERING

Special Olympics Minnesota — Member, College Board of Directors Sep 2025 – May 2026

Special Olympics Minnesota — Event Volunteer Mar 2025 – Apr 2026

Young Life — Adult Volunteer Mar 2025 – Apr 2026

Freshwater Church — Special Needs Ministry Volunteer Mar 2025 – Apr 2026
